Steak tartare

Steak tartare is a speciality with a well-known history that goes back to the time of the Tatars. To have something to eat on their campaigns, the Tatars kept meat under their saddles. They added whatever spices they had at hand to the meat paste that resulted, and so, quite by accident, a dish was born that is still popular today. At Lovorka, steak tartare is prepared at your table from well-aged raw beef fillet. It is seasoned to your taste and served with toasted slices of lepinja flatbread and butter.

LOVORKA'S KITCHEN FOR TRUE GOURMETS

MEAT, THE GRILL AND MANY MORE FINE DISHES FOR YOU

What is Lovorka's secret? Perhaps the charcoal grill, carefully chosen meat and recipes with roots in Leskovac, the cradle of Balkan grilling. In a few words: meze, vješalica, kajmak, gravče na tavče, baklava - good old synonyms for a Balkan feast? In the tasty ćevapčići? The juicy, tender pljeskavica burgers marbled with cheese? The unusual uvijači rolls and meat uštipci? Perhaps it is the unobtrusive yet always attentive waiters, the owner who puts on an apron himself to prepare the minced meat, the complimentary spread and toasted bread served as a welcome. Or perhaps it is the understanding for those who have the Balkans in their soul but whose heart belongs to the Croatian peka, and for those who find Balkan food a little heavy and prefer turkey, gnocchi, fuži or a main-course salad. There is certainly something in the atmosphere too, a reminder of times when people hurried less and enjoyed life, company, rest and food more. Wood, brick, warm colours and gentle music create a place where all tension melts away. You simply switch off from the world outside and feel as if you have come to the home of your best friend, who will spoil you and make sure you never leave hungry or thirsty.

One thing is certain: food is their job, but also their great pleasure. Even when they are not cooking for guests, they are still in the kitchen! They keep trying and combining new things so that their well-known dishes become even more special.

THE PERFECT SIDE FOR OUR MEAT SPECIALITIES

GRAVČE NA TAVČE - TO A SPECIAL TRADITIONAL RECIPE

Gravče na tavče, or baked beans, is the national dish of North Macedonia. It is made with Tetovo beans, bacon, red onion and carrot, seasoned with sweet and hot red paprika, and traditionally served in clay dishes. For lovers of spicy food, gravče is a real treat.

Gravče is known in every Balkan country, and interestingly, similar dishes exist elsewhere too: 'cassoulet' in France and 'bean stew' in the United States.

Try gravče at Lovorka: we make it to our family's traditional recipe.

Enjoy your meal!

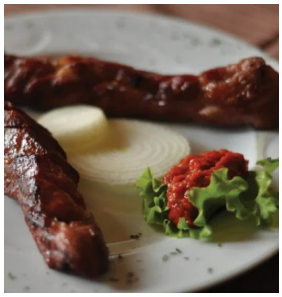
AN IRRESISTIBLE SCENT FROM CHILDHOOD

SMOKED MEAT FROM GRANDPA'S ATTIC THAT MAKES YOUR MOUTH WATER



Anyone who does not look forward to winter has probably never smelled good smoked meat. You will surely travel back in time to your grandfather in the village, drying the finest cuts of cured meat in his attic, hidden from light and prying eyes. Did you notice that scent the moment you came to visit us? We are really proud of it.

SMOKED VJEŠALICA

So what exactly is 'smoked vješalica'? Pork neck, taken off the bone, cut lengthwise, smoked and then grilled. It goes perfectly with a Shopska salad and a good red wine.

RIJEKA AND LOVORKA HAVE ALWAYS LOVED EACH OTHER

LOVORKA - A RIJEKA INSTITUTION

Food lovers know exactly what Lovorka means - the grill, great food, mmm... excellent meat, yum... lots of meat... Lovorka is a name, a legend, an institution or, as people say these days, Lovorka is a brand. People come to Lovorka for a reason, and without one. They come to celebrate the big moments in life, but also just for the pleasure of it, to treat their stomach. Lovorka remembers boys and girls in their First Communion outfits, girls growing into young women and boys feeling awkward in their Confirmation suits, cheerful hen parties and wild stag nights, the party after 10 years of studying and a degree finally earned, the handshake and satisfaction of a freshly signed contract, a grandmother's 90th birthday with 4 generations of one family at the table, school reunions, the boundless joy or bewilderment of brand-new dads. Lovorka has witnessed the loving looks of newlyweds and the tears in their parents' eyes, couples snuggled together on Valentine's Day, December parties and toasts. So many times glasses were raised, toasts were made, people ate their fill and put off their diets. So many times the whole table spontaneously burst into song. Oh yes, and there was dancing too, plenty of it.

It is true, Lovorka and the people of Rijeka love each other. No wonder: after all, the way to the heart is through the stomach!
